MANUAL DE INSTALAÇÃO

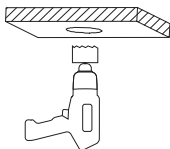

SPOT SENA

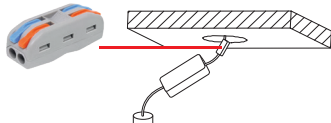

1 - Desligue a rede antes de realizar a instalação;

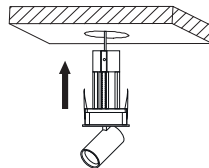

2 - Faça o recorte de Ø50mm com 120mm de profundidade;

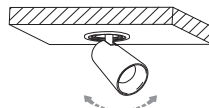

3 - Conecte o driver na rede elétrica (Indicamos o uso do Conector de emenda PIX);

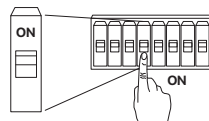

4 - Encaixar cuidadosamente o Spot Sena no recorte;

5 - Posicione de acordo com o seu objetivo;

6 - Ligue a rede elétrica e pronto! Seu Spot Sena está pronto para iluminar o ambiente!
